PERMANENT ATOM Sec Vol-6 32-11 Precipitation

Beloved Children of God:

Please study this instruction carefully as the contents are like scientific steps in a chemical process, none of which may be omitted to have a successful achievement.

The Permanent Atom is the nucleus - the cohesive power - around which the electronic substance is drawn to create the perfect physical form required. The Electronic Light (the Light of God that never fails)fills the universe and contains within Itself a central core of intelligent blue-white flame... This is the Universal Light Substance (the body of God), unformed light substance holding within itself God - intelligence.

The Godhead ("I AM") is the creative activity of Life - the Three-Fold Flame - the triple activity of Father, Son and Holy Spirit. This is the only Creative Power in the universe.

Meditate upon the foregoing until you can differentiate between the Creative Power and the Light Substance - which is the Essence that obeys and becomes the clothing of the Creative Flame.

The Great Cosmic Three-Fold Flame may multiply Itself without limit and form points of consciousness anywhere in the universe. Whether it is the Godhead direct (The Solar Logoi), or whether it is a Spark from the Godhead - (the Divine Presence in the individual, known as the Holy Christ Self, makes no difference, the Fire of Creation is equally powerful whether it is in the Heart of the Great Central Sun, Alpha and Omega (The Highest Beings in this galaxy) or in the heart of the man in the gutter.

The electrons as they flow into the lifestream from the "I AM" Presence into the physical heart contain within themselves the Fire of Creation, and each electron may become the nucleus or cause of whatever form the individual decrees into existence. Thus, one electron may become the body of a child, the seed of a spiritual idea, the nucleus of a great international movement, the heart of a novel or a celestial symphony.

The electrons which enter the heart and become part of the lifestream of a self-conscious intelligence may be consciously projected into the electronic light substance and around that minute particle of the Fire of Creation, the Universal Substance is drawn. Without the Permanent Atom, the Universal Light Substance remains unformed. The Permanent Atom is the cohesive power and is the Divine Will that draws Universal Light Substance into form.

All creation is three-fold. Let me show you the principle of creating that Permanent Atom.

1st. The idea of creation reaches the outer mind.
2nd. The feelings of the individual nourish it rhythmically.
3rd. The physical action, through the thought, word and feeling of the outer Self brings the Form into being.

A thousand electrons, moving at the speed of a hundred light seconds around a central core of Love, form an atom (and the speed with which they move forms the sound of their Note). When discord occurs it (the discord) explodes within the atom, makes the electrons fly apart, changes their speed, and therefore their sound.

Love and Blessings
